

ClearPath Psychiatry & Counseling

Patient Rights and Responsibilities

Patient Rights:

- To be treated with respect, dignity, and compassion in a safe setting.
- To receive treatment free from discrimination based on race, religion, gender, sexual orientation, or age.
- To be informed about your diagnosis, treatment options, and expected outcomes.
- To actively participate in the development of your treatment plan.
- To refuse treatment or medications, and be informed of the potential medical consequences.

Patient Responsibilities:

- To provide accurate and complete medical, psychiatric, and substance use history.
- To adhere to the agreed-upon treatment plan and communicate any issues or side effects promptly.
- To treat clinic staff, providers, and other patients with courtesy and respect.
